FRATERNITIES

As Davidson rounds its first Century mark, each of us looks back with pride on the progress made since the opening of the Manual Labor school in March, 1827. We read of the three four-room dormitories and the Stewards Hall, the only buildings on the campus at Davidson's opening, and then we proudly look at the campus and equipment of today.

We of the Centennial class glance at our books and head for the bumming corner. At that same time a century ago a group of students could be seen working several acres of ground, hoeing most of their way through the new school. Extra-curricular activity probably consisted chiefly in the still famous "bull session;" or of hiding the plow in a near-by hay loft. The thought of a Davidson student guiding a plow every day after classes seems funny to us, but it was a stark reality to our first fellow-students.

In brief, the purpose of this book is to contrast, at least in a small measure, the student life of the Centennial Davidson and that of the infant Davidson.

DEDICATION

We, the class of 1937, respectfully dedicate the Centennial edition of QUIPS AND CRANKS to Dr. Archibald Currie. Ever since his student days here he has been an ardent alumnus of Davidson. As a professor, we all admire and respect him for his learning. As a friend of the students he has willingly and wholeheartedly advised anyone who might have come to him for advice.

It is with sincere appreciation that we dedicate this volume to Dr. Currie as a token of our respect and esteem.

In Memoriam

DR. JOHN L. DOUGLAS, A.B., M.A., LL.D.
Professor of Mathematics, Emeritus

ADMINISTRATION

DR. WALTER L. LINGLE, *President*

THE TRUSTEES

The Trustees of Davidson College direct the administration of the institution. At their meetings they receive reports from the President of the College, who summarizes the various College activities; from the Treasurer, who discusses the financial conditions of the College; and from the various faculty committees. The Trustees are authorized to handle not only problems of the needs of the College, but also to help in solving problems of the students.

The Trustees were originally elected from the Presbyteries of North Carolina, South Carolina, Georgia, and Florida. At the present, however, they come from only North Carolina and Florida; the other states are supporting their own institutions. They are also elected from the Alumni Association.

Trustees serve for a term of four years. The members are divided into numerous committees, the most important of which is the Executive Committee, composed of ten members chosen annually. This committee exercises practically all of the powers of the Board of Trustees between the semi-annual meetings.

ADMINISTRATION

The underlying and fundamental strength of every organization must necessarily lie with its administration. This group is inevitably looked to for wise guidance in the many channels of activity. As its major functions, the administration has the election and support of the faculty and administrative aids, the adequate guidance and control of the undergraduates, and the maintenance of a high financial and legal standing.

Top Row: SENTELLE, JACKSON.

CONRAD FREDERICK SMITH
Alumni Secretary
 B.S. (Davidson)

FRANK DONALD HOBART
Superintendent of Grounds and Buildings
 (Springfield College)

LANGUAGE

Beginning with the change in communicatory thoughts and ideas at the tower of Babel, man has adopted many manners of expressing himself. As the world has grown more international in thought and more closely knit in interests, a mastery of languages has become constantly more valuable. To keep abreast of this need, the department of languages strives first toward the perfection of the student in his own language, and then endeavors through instruction in foreign language to open rich fields of foreign literature, customs, and culture.

Top Row: BAILEY, BEATY, BLYTHE, CUMMING, ERWIN, FLEAGLE.
Bottom Row: GOLDIERE, HARDING, LILLY, SHEWMAKE, VOWLES, WATTS.

CALEB RICHARD HARDING
*Professor of Greek Language and Literature,

 A.B., M.A. (Davidson), Ph.D. (Johns Hopkins).

EDWIN FRANCIS SHEWMAKE
Alumni Professor of English
 A.B. (College of William and Mary), M.A. (Columbia University), Ph.D. (University of Virginia).

EDWARD JONES ERWIN
Professor of English
 A.B., M.A. (Davidson), (Columbia University), (University of Chicago).

FRED KURLAND FLEAGLE
Professor of Spanish
 A.B., M.A. (University of Michigan), (University of Porto Rico), (University of Chicago).

FRED LEROY BLYTHE
Professor of Spanish
 A.B. (Davidson), M.A. (University of North Carolina), (University of Chicago), (Columbia University), (University of Madrid), (National University of Mexico), M.A. (The Middlebury Spanish School), (El Centro de Estudios Históricos de Madrid).

GUY RICHARD VOWLES
Professor of German Language and Literature
 A.B. (Yankton), B.A., M.A. (Oxford University), Ph.D. (University of Chicago), Litt.D.

ERNST ALBERT BEATY
Professor of Latin and German
 A.B. (Davidson), M.A. (University of South Carolina), M.A. (Columbia University), B.D. (Columbia Theological Seminary).

HENRY TRACY LILLY
Professor of English
 A.B. (Davidson), M.A. (Princeton University), (University of Vienna), (Oxford University), (University of Chicago).

GEORGE BYRON WATTS
Professor of French
 A.B. (Dartmouth), M.A. (Harvard), Ph.D. (University of Minnesota), (University of Berlin), (University of Montpellier).

JOHN CROOKS BAILEY, JR.
Professor of Greek Language and Literature
 A.B. (Davidson), (University of Virginia), (University of Chicago), M.A. (Johns Hopkins).

WILLIAM PATTERSON CUMMING
Associate Professor of English
 A.B. (Davidson), M.A., Ph.D. (Princeton).

SCIENCE

With the spotlight of human interest increasingly focused on scientific thought and achievement, this division of education has become ever more vital. The department of science, including only the natural sciences, instructs the student in the general truths of natural phenomena and the operation of scientific laws. Its goal is the presentation of systematized knowledge concerning the varied aspects of nature which surrounds our lives and the incitement of accurate, analytical thinking.

Top Row: ARBUCKLE, DOUGLAS, FULCHER, KIMBROUGH, LYON, MEBANE
Bottom Row: PATTON, PORTER, ROSS, THIES, WOOD.

JAMES McDOWELL DOUGLAS

James Buchanan Duke Professor of Physics
A.B., M.A. (Davidson), Ph.D. (Johns Hopkins), (University of Chicago), (Cornell University), (Columbia University).

JOHN WILSON MACCONNELL

Professor of Physiology and Hygiene
A.B., M.A. (Davidson), M.D. (University of Maryland), (Columbia University), (University of Edinburgh).

HOWARD BELL ARBUCKLE

Chambers Professor of Chemistry
A.B., M.A. (Hamden-Sydney), Ph.D. (Johns Hopkins).

WILLIAM WOODHULL WOOD

Professor of Mathematics and Applied Mathematics
A.B., C.E. (University of Virginia).

WILLIAM LORIMER PORTER

Professor of Geology and Geography
A.B. (Tarkio), A.B., M.A. (Yale).

SCOTT CARY LYON

Richard J. Reynolds Professor of Biology
A.B., M.A. (Southwestern Presbyterian University), A.M. (Tulane University), D.Sc. (Southwestern), (University of Chicago).

OSCAR JULIUS THIES, JR.

Associate Professor of Chemistry
B.S., M.A. (Davidson), (Massachusetts Institute of Technology), M.A.

WILLIAM NELSON MEBANE, JR.

Associate Professor of Mathematics
B.S. (Davidson), M.A. (Cornell), (Virginia Polytechnic Institute).

PRICE HENDERSON GWYNN, JR., *Professor of Education and Director of Student Guidance*, A.B., M.A. (University of North Carolina), B.D. (Yale Divinity School), Ph.D. (Yale).

FRONTIS WITHERS JOHNSTON, *Associate Professor of History*, A.B. (Davidson), (Yale University).

JAMES CHRISTIAN PFOHL, *Director of Music* (University of North Carolina), B.M. (University of Michigan).

CHALMERS GASTON DAVIDSON, *Director of the Library and Associate Professor of Bibliographical History*, A.B. (Davidson), M.A. (Harvard), M.A. in L.S. (University of Chicago).

NORMAN WESTBROOK SHEPARD, *Director of Physical Education*, B.S. (University of North Carolina), (University of Illinois), (Columbia University).

THIANE EDWARD McDONALD, *Assistant in Music* (De Pauw University), B.M., M.M. (University of Michigan).

ANDREW HEATH WHITTLE, *Physical Education*, B.S. (Davidson).

WARREN PERRY BADCOCK, *Music*, B.M. (University of Michigan).

With the ever increasing tempo and complexity of modern day life, the race turns to the social sciences for guidance. This department strives to impart to the student an unbiased analysis of the varied aspects of social relations both past and present. It endeavors not only to communicate the heritage and knowledge of the past but also to inspire constructive thought for the future. Above all the social sciences desire to equip the student for a more vital and understanding life as he adapts himself to his environment.

ADMINISTRATIVE ASSISTANTS

In the sustainment of every large organization there is a vast amount of detailed work to be executed. The majority of this painstaking and highly important work falls to the administrative assistants. This department renders excellent assistance to the administration in the maintenance of the infirmary and library, the supervision of the buildings and grounds, the care of dormitories and accompanying housing facilities, and the performance of secretarial work.

ANNIVERSARY

ANNIVERSARY YEAR

THE NEWLY ORGANIZED ALUMNI CHAPTER AT COLUMBIA, S. C.

During the past year we have become more intimately acquainted with the history of Davidson College through the Pageant, speeches, and various publications. In reflecting on the history of any institution, and especially that of Davidson, one is impressed by the effect of personalities upon the up-building or destruction of the college. From General William Lee Davidson, for whom the college was named, to the present, our reputation has been made by those men whose names are synonymous with that of Davidson.

Rev. Robert Hall Morrison was the first President of Davidson, and it was he who really pushed the project of founding a college to its actual fulfillment. Under Reverend Morrison the old Manual Labor school was opened and was given an enthusiastic and highly successful start. The late Maxwell Chambers, an alert and crafty cotton merchant of Salisbury, indelibly impressed his name on the hearts of Davidson men through his donation of several hundred thousand dollars, by means of which the college was taken out of the "red" and the old Chambers building was erected. During the Reconstruction period, Davidson upheld its former reputation and gained an enviable position among Southern and national colleges which she still holds today. Under the leadership of such men as Rev. George W. McPhail, Prof. John R. Blake, and Rev. Andrew D. Hepburn the college gained rather than lost prestige during the terrible days following the War between the States.

In more recent years, the late President Woodrow Wilson has brought a real honor to this college. Though he was not here long, as a student, President Wilson is readily claimed as a real example of the influence that Davidson exerts on all its students. At present, Mr. S. Clay Williams and other of Davidson Alumni have received nation-wide recognition as leaders in all lines of human endeavor. Through their personal achievements, these men have made and are making Davidson the top-ranking liberal college, not only in the South, but in the nation.

The job of keeping up an active Alumni organization was given to Conrad Frederick Smith, of the class of 1926, following Greer Martin's resignation last year. Fred Smith has been actively and successfully connected with the *Charlotte Observer* during the past several years and was editor of the *Davidsonian* during his student days here. During the past year, he has published five Alumni Journals, each of which has brought enthusiastic praise from the Alumni.

The Centennial Homecoming day celebration was held on November seventh. Nearly four hundred alumni gathered together at their special banquet in the basement of Chambers building. Instead of after dinner speeches, a general discussion was conducted by Mr. W. Burney Thomas, president of the Alumni Association. The points discussed covered such matters as what qualities and materials should be used or abolished as Davidson enters its second century of existence. Lastly Mr. Jackson, treasurer of the college, spoke on the help that the Alumni could give for the betterment of the old Alma Mater. During the afternoon of Homecoming Day, the new stadium donated by the Richardson brothers was dedicated. However, the Davidson-Carolina football game was disheartening to Davidson supporters.

During the year the new building plan has been progressing. One million dollars was set as the goal, since this amount would cover costs of a new library, infirmary, church, gymnasium, science building, dormitory, and a muchly needed social center on the campus. Architects drawings were made of the proposed changes on the map of the Davidson campus and the campaign has been carried forward continuously but not rapidly.

The weekly Davidson College program was resumed this year in January; and, as previously it was broadcast over station WBT in Charlotte, N. C. The band, under the direction of Professor Pfohl, was the foundation for the broadcasts. In addition, a resume of campus news was presented by Tyler Port, a student, and an interview with some prominent members of the administration was conducted by Fred Smith.

Several new Alumni chapters were installed throughout the country, the first of which was at Columbia, S. C. This new group was organized by Fred Smith, the Alumni secretary. Other

MR. W. BURNEY THOMAS
President of the Alumni Association

FOUNDERS DAY

MR. CARROLL F. SMITH
Alumni Secretary

new chapters were installed at Memphis, Tenn., Washington, D. C., Chattanooga, Tenn., Florence, S. C., Rock Hill, S. C., Lincolnton, N. C., Morganton, N. C., and Asheville, N. C.

Founders Day and Alumni Loyalty Day were both set for April 22, 1937. At the school, Dr. Archibald Currie delivered a lecture at special exercises held in Chambers Auditorium. That evening Alumni chapters all over the world held their annual meetings and paid tribute to their Alma Mater on her hundredth birthday. Just previously to this, Dr. Currie had gone on a speaking tour in the north and east, addressing Alumni groups in the larger cities.

A CAMPUS SCENE TAKEN IN 1840

The big feature of the Centennial celebration was the Historical Pageant presented during Commencement at eight o'clock Monday night, June eighth. The whole affair was under the personal supervision of Mr. Theodore Viehman, an experienced director of historical pageants. Most of the parts were taken by students and students assisted in the managerial and stage work. Several stages were erected on Richardson Field, where the audience could be seated comfortably in the stadium. An array of loud speakers brought every spoken word to the ears of all spectators.

This ended the Centennial year for Davidson. The position of Davidson at the end of the next hundred years will depend on its alumni, and we are sure that then as now it will rank at the top in institutions of learning all over the world.

SENIOR CLASS HISTORY

Beets

To write this history is to pause for a moment and remember what we did in four years of yesterdays. Four years, three summers, four Christmas holidays, many classes—innumerable nights before reviews with their intensity and concern. Incidents, week-ends, friends and impressions pile up and tumble over one another and leave us with a sense of joy, regret and melancholia: for those shall never be again. Four warm-blooded poignant years have spent their force. Every day is a hotter fire and every acquaintance, book and events has been a relentless hammering—moulding and bending, and as we leave these halls we feel that a personal era has come to a close.

What has Davidson imparted to its Hundredth Class, and what does the institution offer its future hundred classes? One may devise some penetrating test and with the glee of fulfilled expectation find that we cannot run a business and are not doctors, lawyers or ministers, despite our four years' training. We cannot lay claim to have become better money-makers, pilers of wealth—lieutenants of industry. We have learned much, been disciplined much, but those gains pale before a serener sun. Somewhere in the friendly atmosphere of Davidson, among great acquaintances and strong influences, from the ideology of the campus, we have caught a glimpse of a Way of Living that will intrigue us evermore. Was it on a bright and peaceful Sunday afternoon? Was it at a quiet Vespers? The moment whence we cannot say, but we have an ideal living in a memory. And, too, we have a wherewithal, a Set of Values with which to plot our course. No sordid boon. We have drawn from Davidson two wellsprings of a happy life.

As the Hundredth Class, fate and advertising has made us conscious that the Class of 1937 is one of the unusual classes to graduate. Within ourselves we feel that we have a personnel a

QUIPS AND GRANKS

bit finer and superior to the always fine Davidson class. This is reflected in high scholastic competition, constructive contributions to Student Government—and unusual prominence in athletics, journalism and forensics. The Class of 1937 has had to us a flavor rich in personality.

From 1933 to 1937—years full with the tide of history in the outer world—we have witnessed a marked change in the college youth. The jazzv "Joe College," of the tin-horn 1929 era, flashes of whom we saw in our earlier years, has undergone a metamorphosis. The discouraged, somewhat cynical, offspring of the depression has been fused with hope and determination. The student of 1937 shows a bit more steel and sterling. Entering at the depth of the depression, we have risen to the brink, we hope, of a recovery. Within these quiet walls and during a youthful period, we saw and pondered upon a tremendous struggle.

Our late Senior year has caught us with a regret for tasks undone, friends not made, but joy for what we have. In the classrooms, in the dormitory; from many books and friendships with the faculty; playing on the athletic field, puttering in the *Davidsonian* office; enjoying the incomparable quality and beauty of a Davidson set of dances; listening to Dr. Charles Myers, Ben Lacy and Peter Marshall; governing in the fraternity and in the student body; taking an October walk to the gullevs, clowning at the picture show: we have gained something we shall cherish, if only for the memory.

But, mine Sir, where is your history?—Enclosed please find a list of degrees, a flurry of honors—who did this and who was that—monuments shrinking to anthills. History? Each Senior has his own history, his own background of impressions and events. Let him write it for you.

FRESHMAN

JAMES T. MORTON, *Adviser*

MORTON

FRESHMAN CLASS HISTORY

For the first time, the faculty instigated Orientation Week for the incoming Freshmen. Before this year only two days had been allowed for the Freshmen to become familiar with the campus. On September tenth the new men arrived and were housed in East and West dormitories both for the convenience to the college and to give the members of the new class a chance to become acquainted with each other. During this period of time, the Freshmen were told about college life by Dr. P. H. Gwynn, who had charge of the Orientation period. Dr. John McSween came from Chester, S. C., to make his inspirational address on September eleventh.

In November of the present college year, Jim Morton was elected as advisor to the Freshman Class. Although the Freshmen had plenty of the usual Freshman spirit, "Tiger" Jim kept the boys under control and everybody enjoyed even the two weeks campus. Judge Bob Johnston and his court of control were very active throughout the year, pronouncing severe punishment where needed.

In the Spring of the current college year, the student body voted to have the Freshmen advisor elected by the rising Senior Class during the regular spring elections. This advisor was to be one of the class and was to take over the leadership of the Freshman class the following year. This amendment was voted into the constitution to be carried out each year.

QUIPS AND CRANKS

STUDENT GOVERNMENT

Hardly as old as the College, Davidson's plan of student self-government dates back to some indefinite time when certain class organizations took over the responsibility of enforcing the Honor System. In the decade, 1900-1910, the Student Body was organized as a unit, a Student Council was formed, and a definite system of student government was adopted.

Today the student government rests in the hands of the President of the Student Body and the Student Council, composed of six other Seniors, four Juniors, and three Sophomores.

Under the guidance of President Wilbur Edwards, rapid strides forward have been made. A reform in the selection of the Freshmen Adviser was made. This spring a revision of the Constitution was drawn up in order to put the document in a more convenient form, and was adopted by a vote of the Student Body.

QUIPS AND CRANKS

The first issue of the QUIPS AND CRANKS made its appearance on the Davidson campus in the spring of 1895, and since then it has been published annually with only a few interruptions.

This year's issue of the yearbook is the work of the Centennials under the guiding hands of John Abernethy, editor-in-chief, and George Norfleet, business manager. Both were ably assisted by underclassmen staffs.

Again this year the expense of the individual pictures was met by the campus tax each student paid with his college fees last autumn. This plan was inaugurated last year and was so successful because it guaranteed the publication a definite source of income that it has been used again. By this system every student is assured of a picture, and thus the QUIPS AND CRANKS presents a more accurate picture of the Davidson student body.

THE DAVIDSONIAN

A feature of this year's *Davidsonian* was the cultivation of expressed student opinion. The Student Leaders on the campus through the paper made a great many helpful criticisms and suggestions which reflected the general opinion of the student body and made for the betterment of Davidson students and their college. *The Davidsonian* presents probably the best method of reaching students, faculty, and alumni readers and has had a profound unifying influence. The editors and managers keep in close contact with outside news events pertinent to Davidson and especially with other college and university publications. A first-class rating was maintained for the two preceding years and this year's paper has, we believe, maintained the same or a higher level.

The editorial staff met each week on Monday evening to regulate the affairs of the coming week. Freshmen and Sophomores under the supervision of the upper-classmen covered the news events and held interviews. The Juniors and Seniors had columns of their own in the different sections.

SCRIPTS AND PRANKS

OVERTIN

PETERS

Scripts 'n Pranks made its first appearance on the Davidson campus this year as successor to *The Yowl*, humor magazine published during the past few years. The new magazine is devoted both to humor and to literary effort. Its humorous portions are jokes and cartoons taken largely from student talent. The literary departments contain poetry and short stories from budding writers. One of the most interesting features this year was a poll of campus opinion of favorite girls' schools, orchestras, radio programs, magazines, etc. *Scripts 'n Pranks* also sponsored a contest to determine the superlatives in girls' pictures on student desks.

The editor of the magazine, elected by the three upper classes, chooses the editorial staff, which is composed of art editor, associate editors, and managing editors. The business manager is picked by the publications board, and he in turn chooses his business staff.

The magazine is published four times annually during the months of November, December, March, and May, and is distributed to the students, outside subscribers, and fifty leading colleges of the country. It has a circulation of approximately nine hundred copies per issue.

ROBERT TROUT PETERS

Article XII, Section 4, of the Constitution of the Student Government of Davidson College says, "There shall be chosen annually a body to be known as the Publications Board." This Board shall have complete supervision over the financial administration of the three student publications."

Thus is established a Board composed of five members, three students elected by the Student Body, and two Faculty members appointed by the College Administration. The staff of each of the three campus publications, *QUIPS AND CRANKS*, *The Davidsonian*, and *Scripts 'n Pranks*, appoints two of its number as nominees, from which nominates the Student Body election is made. At its first meeting, a newly-elected Board chooses its own president from among the student members.

Meetings are held periodically throughout the year, at which sessions reports are presented to the Board by the Business Managers of the various publications for inspection. The Board has authority to remove from office any Manager of a Publication who should show himself inefficient or unworthy to hold his position.

The Davidson Debating Team this year continued to follow its policy of engaging outstanding institutions, meeting colleges and universities not usually met on the athletic field.

The Varsity Debating Team, selected at the beginning of the school year, consisted of John D. Allen, Heywood Hill, Charles Mauze, Tyler Port, Bob Stewart, and Harold Sugg. The alternates on the team were Bill Kieseletter, John Reisner, and Sherrod Rice.

QUIPS AND CRANKS

DEBATING TEAM

*Top Row: ALLEN, MAUZE, PORT.
Middle Row: STEWART, SUGG, HILL.
Bottom Row: KIESEWETTER, REISNER, RICE.*

Dr. C. K. Brown again served as coach for the team, and worked with them steadily. Most of the debates were non-decision so as to allow more flexibility and better debates. The team made several steps forward this year, by taking three subjects instead of only one, by debating both sides of a question, and by other such changes.

The subjects for debate used this year were: first, "Resolved: That wealth as well as man power should be conscripted in time of war"; second, "Resolved: That Congress should be empowered to fix minimum wages and maximum hours for industry"; and third, "Resolved: That college athletics should be openly subsidized." The second of these questions was the official subject for intercollegiate debate and the Davidson team upheld both sides of it.

Debates took place on the Davidson campus with Washington and Lee University, the University of Florida, and Georgia Tech. The last of these was broadcast.

Tyler Port and Harold Sugg joined together to debate on the northern tour. They debated against Washington and Lee, Swathmore, Lafayette, the University of Richmond, and the University of Virginia.

The southern team, John Allen and Bob Stewart, met the College of Charleston, Rollins College, the University of Florida, and Emory University. Heywood Hill and Charles Mauze were the members of the western team and debated with Sewance, Centre, and the University of Kentucky.

Those selected for the freshman team were: Bob Kellogg, Dick Kenyon, George Milne, and Bob Ramsey; Jack Holland and Paul Marion were alternates. The freshmen competed among themselves in a debating tournament.

MUSIC

During the past year the musical organizations of Davidson College have brought credit and praise once more to the college. Under the direction of Professor James Christian Pfohl and Thane McDonald, who was added to the music department last fall, music at Davidson has attained new heights and has established Davidson more firmly as a leader in this field among Southern schools and colleges.

The Football Band, composed of sixty-five members, distinguished itself on the gridirons in the Southern Conference this fall while lending excellent support to the Wildcat football team. An unique feature the Band developed for the night games was the drill executed in the dark with red lights fixed to the cap of every bandsman. The Band drills between the halves of the football games drew highly favorable comment from the public.

The Symphonic Band has been the feature of the Davidson College Radio Program, broadcast weekly over Station WBT in Charlotte during the winter and spring months. Off the campus the Symphonic Band has presented concerts in eight cities and towns in North and South Carolina and Georgia, while it gave three concerts on the campus during the year.

The Glee Club, this year under the direction of Thane McDonald, is made up of thirty men and has given a splendid account of itself. Concerts were presented in several near-by colleges and cities by the Glee Club and the Little Symphony Orchestra, these two groups appearing together on each occasion. Two concerts were given by each group on the campus. As a special function the Glee Club has served faithfully as a choir at the Sunday evening Vesper services in Chambers Auditorium. Upon numerous occasions all the organizations have furnished special music for other college activities, the most elaborate being the work done in connection with the Centennial Pageant.

The college Concert Series, sponsored by the Music Department, was produced again this season on the campus. Artists of national fame were brought here for the concerts and received enthusiastically by the lovers of good music in the college and community. The Boston Sinfonietta opened this season early in the fall. Wilson Angel, bass, was the second artist to appear on the series. Later in the winter The Salvi Instrumental Quintet was secured and early in the spring the Siberian Singers closed the season.

ATHLETICS

The Davidson College athletic program for the past year has been under the able and efficient direction of a new man, Norman M. Shepard, replacing Capt. Norton G. Pritchett, now at the University of Virginia. Shepard, an alumnus of Davidson and a graduate of the University of North Carolina, came to Davidson from Randolph-Macon after making an excellent record at that institution.

The varsity football team, captained by Dick Johnson, completed a remarkably successful season, winning five games and losing only four. Martin "Teeny" Lafferty, of Concord, was undoubtedly the star, but the success of the season was by no means due to him alone. Lafferty was ably assisted in the backfield by Corbin, Dennis, and Armfield, while Williams, Johnson, and Hunter excelled in the line.

The basketball team was probably the best in the last five years, winning thirteen games and losing ten. Quick captained the team through the season, while sophomores Hicks and Iverson played noteworthy basketball. The wrestling team, as has been true for the last few years, completed an excellent season, taking third place in the Southern Conference and tying for first in the state. Charles Parker was the captain.

As the spring term got under way, the tennis and golf teams showed fine prospects. The racketeers took four out of five games in their southern trip, while the golfers took their opening games also. The baseball team showed only a fair degree of success, while the track team was unusually deficient in material. Quick and Jim Johnston were the respective captains of baseball and track.

Probably the greatest loss that Davidson College athletics suffered was in the resignation of Coach "Doc" Newton, to take over duties as head coach at N. C. State. While at Davidson, "Doc" did an excellent coaching job and turned out well-tutored teams with enviable records. Davidson will miss "Doc" exceedingly, but, on the other hand, Newton will have an able successor in Gene McEever, who was promoted to the position of head coach. His place will be filled by Chet Chapman.

The newest addition to the coaching staff is Lawrence Spearman, who hails from Chester, S. C. In that part of the country, Spearman's high school team made football history.

Thus, with a complete and able athletic staff, Davidson College looks forward to another successful year of athletic achievement.

VARSVITY FOOTBALL

Davidson, 0 — Duke, 13

Opening the 1936 season with a Southern Conference debut, the Davidson Wildcats dropped a closely contested game to Wallace Wade's highly-touted Blue Devils by a 13-0 score.

The Dukes, encountering stubborn opposition from the lighter red line, managed to shove over touchdowns in the first and third quarters. After a 46 yard jaunt by "Honey" Hackney, the most sensational run in the game, Harwood Smith carried the ball over for Duke's first touchdown. Smith also chalked up the second tally and converted.

Davidson's break came in the last few minutes of the third period when Bailey Williams, flashy 'Cat end, recovered a Duke fumble on their ten yard line. Lafferty attempted to pass to Williams on the first play but Parker knocked it down. Then Lafferty rammed right tackle for a two yard gain. After two more running attempts at a score, the ball went over to Duke on the one yard line.

In this first game of the season, "Teeny" Lafferty was the main cog in the Wildcat attack, carrying the ball in sixty percent of the Davidson plays. Captain Dick Johnson, Joe Hunter, and "Yeutz" Johnston played amazing defensive football, spilling the Dukes time after time. In all, Davidson acquitted herself well in the season's opener.

Davidson, 6 — State, 2

Led by "Teeny" Lafferty playing probably his best game of the season, the Wildcats stunned 10,000 cheering fans by turning a decisive victory over the heavy N. C. State team.

The lone touchdown of the game came as a result of a break for Davidson in the third period. Lafferty had punted, when the Wolfpack's Eddie Entwistle allowed the bouncing ball to touch him on State's three yard line. It was recovered by Bob McClellan, promising 'Cat sophomore. After an unsuccessful attempt by Lafferty to score on a line smash, Armfield skirted his own left end and crossed the line standing up. John Lee failed to convert the extra point.

State garnered her meager two points on a safety in the fourth quarter. The Wolfpack had carried the pigskin down to Davidson's five yard line in a brilliant aerial attack. On the first play after the ball went over to Davidson, Lafferty, instead of kicking, attempted to run but was tackled behind his own goal line.

In the second game of the season, the Wildcats played one of the best games, duly impressing the nationally-known sports commentator, Ted Husing, who was in the stands. Dick Johnson was the sparkplug of the Davidson line, but Frank Purdy, Jim Johnston and Joe Hunter distinguished themselves as bulwarks of defense.

Davidson, 6 — Navy, 19

Unable to cope with Navy's tremendous reserve power, the Davidson "Iron Men" lost 19-6 to the Middies in a game battle. The score does not indicate the fierce bombardment by air and land that the Wildcats fired at Navy.

The Middies, clicking in the first period, carried the ball in a concerted drive to the Red and Black two yard line, where a fumble gave Davidson possession of the ball. In the second quarter, with a whole new Middle team in the game, Antrim took the pigskin on a reverse from Schmidt and raced around left end for a touchdown.

Imbued with a new and indomitable spirit, the Wildcats came back on the kick-off with a brilliant attack and a bag of tricks. A forward-lateral pass, Lafferty to Williams to Dennis, completely fooled the Midship-

VARSIY FOOTBALL

men. Tricking the Middies again, this time on a fake line buck, Lafferty handed the ball to Dennis, who carried left end. Armfield made the touchdown on a pass from Lafferty.

In the third period, Davidson completely outplayed Navy, keeping the pig-skin deep in the Blue territory most of the time. In the final period, the Wildcats succumbed to Navy's fresh reserve strength, and allowed the Midshipmen two more scores.

Armfield and Hunter played smashing defense ball for the Wildcats while Purdy and the two Johnsons spilled Navy backs time after time. Williams and McClellan stood out on both defense and offense.

Davidson, 38 — V. M. I., 13

Unleashing scoring powers that carried them to touchdowns in each quarter, the Davidson Wildcats swamped the V. M. I. Cadets with a variety of smashing plays and deadly aerial thrusts.

The first touchdown came in the first three plays as a result of two passes, Dennis to Lafferty and Lafferty to Armfield. Jim Johnston converted from placement. Charlie Sears, bantam back, entered the game shortly after the score, taking the place of "Teeny" Lafferty, who was forced out due to injuries. Dennis and Sears, leading a series of reverses which netted 26 yards, again placed the ball in scoring position. Sears carried the pigskin across for a second score. Later in the same quarter, Williams recovered a V. M. I. fumble on the Cadet six-yard stripe putting the Wildcats in scoring position once more. This time Sears lateraled to Armfield, who raced around left end for a third tally. Sears garnered the fourth score in the last of the second period. All attempts to convert in the second quarter failed.

The home team's fifth tally came soon after the second half began, as a result of a tremendous land and aerial attack. The Flying Squadron also scored in the third period on a short pass from Roberson to Como. Both teams pushed across tallies in the final period to end the scoring orgy.

Charlie Sears, 140 pound package of dynamite, played his most brilliant game of the year, as also did Fred Dennis.

Davidson, 21 — Citadel, 0

A fast heads-up Davidson football team outsmarted and overpowered a stubborn Citadel outfit on Richardson Field, when it pinched over three touchdowns, to win 21-0.

With their eyes on coming contests against Furman and Carolina, Doc Newton's boys played "Under wraps," kicking regularly on third downs, and waiting for the breaks. The Wildcats carried over the first score early in the game, when Lafferty hurled a 30-yard pass to Armfield who toted the ball over the line. There was no more scoring until the third period.

Fred Dennis broke into the scoring column when he intercepted a Citadel aerial on the forty, swung around toward the sideline with a mass of interference, and crossed the final white stripe for Davidson's second. Although Teeny Lafferty carried the ball on nearly all Davidson plays, and paved the way for many a touchdown, his turn to score did not come until the final period of the Citadel contest. Teeny took Ed Hall's kick-off on Citadel's 45, and toted the pig-skin for a third and final tally, behind some amazing interference.

Corbin and Dennis continued their spectacular blocking, while Dick Johnson and Jim Johnston added another stellar performance to their string. Sophomores Dave Warden and Bob McClellan showed special promise, and will see regular service all next year.

VARSITY FOOTBALL

Davidson, 13 — Furman, 14

An inspired Furman football team, playing heads-up ball and taking advantage of all the breaks, nosed out the Davidson Wildcats by a one point margin, 13-14.

Davidson opened the scoring in the first period when "Teeny" Lafferty faded back to his forty-yard stripe and hurled a high floating pass to Bailey Williams on the Furman twenty. Williams brought down the pass, shook himself loose, and scampered across the goal line standing. Jim Johnston's placement kick was low.

A pass from Greve to Captain Bob King, in the second quarter, paved the way for Furman's first tally, which came three plays later. King converted from placement. Then a series of punts ensued until a kick by Lafferty was blocked in the end zone, where King dived on it for Furman's second touchdown. A minute later Alternate-Captain Armfield received Furman's kick-off in the shadow of the goal and raced 96 yards through the entire opposing line, for Davidson's second score. Johnston converted.

Davidson threatened again before the game ended, but during the closely contested second half, her drives were checked by blocked punts, intercepted passes, and inopportune penalties. The Wildcats felt heavily the loss of Corbin and Dick Johnson, who were nursing injuries sustained in the Citadel game. The play of Armfield, Dennis, Lee, and Williams was outstanding for the 'Cats, while Captain King starred for the Purple Hurricane.

VARSITY FOOTBALL

Davidson, 6 — North Carolina, 26

North Carolina's football powerhouse played sixty minutes of bang-up football, when they downed a fighting Wildcat eleven 26 to 6, on Davidson's annual Homecoming Day.

The Tar Heels tallied once in each of the four periods. Jim Hutchins galloped 16 yards for the first one in the initial period and bucked the line for the next one in the second. Burnette circled right end from the three-yard line for a touchdown in the third period and Dick Dashiell swept right end for the fourth Carolina score just before the game ended.

Davidson's lone touchdown came in the fourth period as the culmination of a razzle-dazzle offensive, checked intermittently but finally successful. A forward-lateral pass, Lafferty to Williams to Dennis, good for 14 yards, gave the Wildcats their well-earned score.

Lafferty was one of the big guns in Davidson's attack, but Ed Armfield stood out even more. The Ashboro boy was dynamite in his collaboration on the razzle-dazzle plays. Joe Hunter was the Wildcat star of the line. The great defensive of the winners was the outstanding factor in the staying off of the Red and Black line. It was in no sense Davidson's weakness but the powerful play of the Tar Heels that determined the outcome of the game.

Davidson, 27 — Centre, 0

Playing a Kentucky team for the first time in several years, the Wildcats clawed out a decisive 27-0 victory over the Prayin' Colonels of Centre College.

During the first quarter, both teams see-sawed up and down the field until a 35-yard run by Lafferty and a 15-yard penalty against Centre gave Davidson an opportunity to score. Dennis took the pigskin over on an off-tackle thrust, but Johnston failed to convert. Characterized by a rapid exchange of punts, a variety of passes, and damaging penalties, the second period failed to show any change in the score.

The third touchdown came as a result of a long pass from Lafferty to Armfield, who was in the end zone. The opportunity came after a series of line thrusts by Corbin and Lafferty. Jim Johnston kicked the extra point. The Wildcats scored again in the third quarter when Lafferty took the pigskin on Centre's 37 and, with a mass of interference, circled left end and dashed across the goal line standing up.

The second team replaced the varsity lads in the final period. Sears, ably filling Lafferty's big shoes, immediately started the fireworks in an aerial attack with Stair, Nicholson, and Iverson on the receiving end. The attack carried the Wildcats to Centre's 16-yard stripe, where Charlie Sears cut loose with a pass to Iverson, lanky sophomore end, who caught it in the end zone for a fourth tally. Sears' placement was good and the game ended a few minutes later.

VARSITY FOOTBALL

Davidson, 19 — Wake Forest, 6

Displaying some of the most brilliant power ever exhibited on Richardson Field, the Davidson Wildcats wound up their gridiron season by completely annihilating a favored Wake Forest eleven, 19 to 6.

The Deacons drew first blood in the opening quarter, when Daniel, dropping back to kick, took the ball around left end behind a mass of interference, and ran 60 yards for the score. The try from placement was blocked. Later in the half, Lafferty intercepted a long Deacon pass and carried the ball for 25 yards. Dennis added 58 more yards when he took the pigskin from Lafferty on the famous "hip play," and a little later "Teeny" crossed the line for the 'Cats' first tally of the game.

In the second quarter, the Wildcats chalked up their second and winning score after a 59-yard march. Lafferty again was the scorer. Then at the beginning of the second half, Armfield, duplicating his feat of the Furman game, took the ball on the kick-off and carried it through the entire Wake Forest line for 95 yards and a third touchdown. And with this, Armfield clinched the title of "High-scorer in the Southern Conference."

In this Thanksgiving classic, Lafferty was the outstanding man on the field, but Armfield, Hunter, Corbin, Lee, Dick Johnson, and Jim Johnston ended careers of which they can be justly proud.

VARSITY BASKETBALL

With all of last year's team back and a crop of promising sophomores to support them, Coach Flake Laird moulded a quintet which ended in a tie for eighth place in the Southern Conference standing, winning five out of thirteen conference tilts. Out of their entire schedule of twenty-three games the 'Cats were able to garner thirteen victories.

Sophomores Ned Iverson and I. D. Hicks broke into the starting line-up, forcing lettermen off the team, but supporting Captain Quick, Peabody, and Armstrong very ably from the start. Before the end of the season Bill Hancock and Bill Kieseewetter had played enough to earn their letters, and toward the very end Johnny Tice, another sophomore, had served the twenty-three halves required for a monogram.

The Catawba Indians were first victims of the Wildcat campaign, in a game which the Davidsons won 41-34. In another game here before the Christmas holidays the team nosed out the semi-pro Unique Furniture combine only 37-35, in a truly nip-and-tuck battle. In the first game after the holidays the 'Cats showed the good effects of an early return to training by trimming the Charlotte "Y" 36-25.

Then came the first Southern Conference fracas, that with Duke. Playing in Winston-Salem the Devils ended on the long end of a 4-34 score, after a hotly and closely fought struggle. But the Lairdmen rebounded from this loss to eke out, in an extra period of play, a 35-33 victory over the defending conference champions, the University of North Carolina White Phantoms. Peabody made himself hero of the occasion by firing the winning shot through from the center of the floor.

Groves-Thread, a semi-pro outfit led by Sam Turner, former Tennessee star, handed Davidson a walloping, 46-38, and seemed only to set the pace for N. C. State, which sneaked up and passed the 'Cats in the last minutes of play to win 41-35. South Carolina joined in the parade by nosing out the Wildcats 39-35 a few days later, and Duke again proved their superiority by handing Davidson another licking, 32-27 this time. After that North Carolina gained revenge for their earlier defeat with a decisive 34-20 drubbing.

Then the Wildcats took a trip through South Carolina, a trip which restored in some measure their self-respect. They took Furman into camp 45-31 and then walloped Citadel 46-36. On the same trip they breezed through the College of Charleston 39-18.

Returning home the Davidson quint added another victory at the expense of Guilford, 46-26, and then met State again. This time it looked like Davidson's day, as Hicks held Connie Mac Perry well in hand during the first period. At the half the 'Cats were leading and they held their

Quick, Captain

TITMOPSON, Manager

lead for about ten minutes of the second half, until Berry turned on the steam and led the Terriors to a 51-34 win. But the 'Cats redeemed themselves with Tice on the trail of Wake Forest's shooting artist and conference high scorer at that time, Jim Waller, the Lairdmen decisively whipped the Deacons by a score of 43-31. They continued their victory march by defeating Citadel again, this time 40-34, and then by taking the College of Charleston into camp again, 51-34.

But just when the race for berths in the conference tournament was getting hot the Wildcats slumped to lose two, one to South Carolina, 29-40; and the other to Wake Forest, 44-33. Stepping out again they licked Catawba 45-37, but were in turn beaten by the Lenoir-Rhyne Bears, leaders in the North State Conference race. Then Quick, Peabody, Armstrong, and Hancock, playing their last game at Davidson, teamed together to aid in whipping Erskine 45-31 and to close the season.

This record left the Wildcats tied with Maryland for eighth place in the conference standings. The flip of a coin gave Maryland the coveted entry into the conference tourney at Chapel Hill, to which only eight teams are invited.

During the season Davidson scored a total of 871 points as against only 815 for their opponents.

Coach Laird had such a rich supply of available material this year that he divided his team into "A" and "B" squads. The "B" squad played several preliminaries to the varsity games and also played games with several junior college teams. Leading luminaries of this group were Dan Iverson, Wade Barrow, Bill Boyd, Perry Sloan, and Jack Lee. These men will next year advance to service on the varsity squad.

The captain for next year's team will not be chosen until the season begins, but Johnny McQueen has been elected varsity manager and Charlie Rynal will manage the freshman team.

Front Row: REID, IVERSON, HANCOCK, ARMSTRONG, KRESEWETTER, HICKS.
Back Row: LAIRD (Coach), TICE, BARROW, BOYD, QUICK (Captain), PEABODY, McQUEEN (Assistant Manager).

VARSITY BASEBALL

Quick, Captain

Practice sessions for the 1937 edition of Coach Flake Laird's varsity baseball squad began on Monday afternoon, March 8, when twenty candidates answered the call. Present were nine veterans of the game—Bankhead, Clark, Dickson, Howard, Kellam, Lafferty, Moyer, Neal, and Quick—who were to form the backbone of the squad this season.

Until March 25, Richardson Field was every afternoon the scene of strenuous practices as the Wildcats baseballers got the feel of the horsehide into their fingers once more and started batting balls all over the lot. The pitching staff is re-inforced by two sophomores, Hicks and Steere, who were stars on the freshman team last spring. Other sophomores who have earned positions in the "first string" line-up were Johnston, first baseman, Hemphill, second baseman, and Rudisill, outfielder.

While the rest of the students were off for the Easter vacation, the Wildcat nine started the season with an extensive southern tour. The first game, with Wofford in Spartanburg, was a stirring season opener and a victory for Davidson, 9-4.

The next day saw the 'Cats drop their game to the Presbyterian College Blue Stockings, 1-3, in spite of Hicks' excellent work on the mound. On to Atlanta went the squad where they split a two-game series with the Oglethorpe University Petrels, 8-2 and 0-5. Turning north once more, they raided the camp of the Erskine Seceders to win by a score of 6-4.

Returning to the home grounds, Lady Luck turned against the Davidson club when they lost a two-game series to the Duke Blue Devils, 11-16 and 4-29. The game scheduled with the University of South Carolina on April 6 was postponed because of the inclement weather in Columbia.

Then the 'Cats again tasted defeat, this time at the hands of N. C. State in a two-game series, 5-10 and 2-11.

But on Monday, April 12, the worm turned and the Davidson club turned back the invasion of the Tar Heel baseball team from the University of North Carolina by a score of 7 to 6. Still the greater part of a long season faces the team at this writing, and prospects are good for a creditable record from the Wildcat team.

Clifford C. "Bill" Quick, Senior letterman, is captain of the squad, and John Andrews is varsity manager.

TRACK

JOHNSTON, Captain

PATTERSON, Manager

With Jim Johnston as captain the varsity track team went through a very successful season this spring. Wade Barrow was usually good for at least seven points and "Boo" Walker could usually be counted on to take first in the two mile.

The varsity track team this year was coached by "Pete" Whittle, who was assisted by "Chet" Chapman.

The team suffered from the loss of several of last year's consistent point winners, but these were replaced by men from last season's freshmen and reserves. Among the men who were missed this year were: Lee, Pittman, Parker, Merchant, and Shuford.

As a pre-season meet Coach Whittle took several of his men to the Southern Conference Indoor Games at Chapel Hill. The competition proved too stiff for the boys who had been training out of doors for this indoor meet, and they failed to place.

In the first regular meet of the season, the Wildcats met and smothered Catawba, 118-8. This meet was held on a cold and rainy Saturday, and none of the times were exceptional.

Three days after Spring Holidays, the Wildcats went to Columbia, S. C., to meet the University of South Carolina, whom they defeated 74-57. Hickman took a first place in the 440 yard dash, and Dickson won the broad jump. Wicker won the high hurdles and Barrow the lows.

The following week-end Coach Whittle took the varsity to Charleston, S. C., where the 'Cats

took Citadel into camp by a score of 77-49. In this meet again Dickson won the broad jump. Purdy took a first in the pole vault and Crisp won the shot put, while in the 880 yard run Melton took a first for the 'Cats.

In their fourth meet, the 'Cats made it four wins in four starts, by defeating V. P. I., 77 to 49. Although Douglas of V. P. I. set a new Richardson Field Record with a high jump of six feet two inches, the Gobblers were clearly over-shadowed from the start, after Davidson took the lead in the first event and held it throughout the meet. Barrow was high scorer with 13 points to his credit. Davidson took ten first places while V. P. I. took only four.

As the annual goes to press these are the only results available, and the team still has its two hard meets coming up. These are the Duke meet and the Southern Conference meet, but these are being held so late this year that the results could not be published.

Bottom Row: Moseley, Melton, Poe, Purdy, Peabody, Johnston (*Captain*), Dickson, Faison, Cumbie, Moore, Reed, Hunter.
Second Row: Patterson, Telford, Bixler, Walker, Hickman, Turner, Wilson, Sears, Woodward, Sadler, Fort, Crisp, Chapman (*Coach*).
Third Row: Whittle (*Coach*), Edgerton, Deaton, Abbott, Hipp, Parcell, Miller, Kerr, Barrow, Patterson (*Manager*).
Top Row: Mack, Vause, Baker, Johnson, Warden, Sample, Pharr.

RESUME OF VARSITY WRESTLING

PARKER, *Captain*

BRANCH, *Manager*

Under the able coaching of Parks Harrison, the wrestling team completed a rather successful season, winning four matches, tying three, and losing two. The grapplers took third place with N. C. State and the University of North Carolina for first in the state.

The Southern Conference wrestlers for Davidson were as follows, with respective weights: Blue, 118 lbs.; Lowrance, 126 lbs.; Sears, 135 lbs.; Parker, 145 lbs.; Fort and Sadler, 155 lbs.; Ellis and Gamble, 165 lbs.; Vass, 175 lbs.; McFadyen, unlimited.

McFadyen, who took the Conference title in the unlimited class, was elected captain of the team for the next year. Jerry Harris will serve as manager.

VARSIITY TENNIS

Davidson's tennis team led by Captain Carl Carlson had a fairly successful season, making a notable start on a schedule of seventeen matches by losing only one match out of the first seven of those looked.

Kenney, number one man, was constantly in danger of losing his ranking to either Carlson, Frampton, or Boggs, who were shifted about in the number two, three, and four positions during most of the season. However, the lineup at the first of the year was as follows: Kenney, Frampton, Carlson, Boggs, Reinhard, and Woodward.

The season was opened with an easy 9-0 win over Presbyterian College, this being the first of the matches on the usual Southern trip taken during the Spring Holidays. This was followed by a victory of 6-3 over the University of South Carolina. The match with Emory was rained out.

Davidson suffered her first defeat of the season at the hands of Georgia Tech, 8-1. Next Mercer University was defeated 9-0. Then in turn matches were taken from both Rollins College and Furman, each being defeated 6-2.

On the Northern trip Davidson encountered worthy opponents in the University of Richmond, William and Mary, the Country Club of Virginia, and the University of Virginia.

Though Boggs won the Spring Tennis Tournament, he played Number Four during the greater part of the season.

GOLF

WESTALL, SNOW, ROSS (Captain), McCLELLAND, MAPLES.

The golf team this year, composed of Charlie Ross, Bill Snow, Henson Maples, Jimmy Westall, and Ralph McClelland was one of the strongest athletic teams produced at Davidson in several years. With Charlie Ross as captain, and Ralph McClelland as student manager, the team won ten out of twelve dual matches, placed second in the State Tournament, and fifth in the Southern Tournament.

The season opened with the Wildcats blanking Hampden-Sydney 18-0. During Spring Holidays, a trip through the West and South was taken, the team defeating the University of Tennessee 14-4; Amherst, in an intersectional tilt, 16-2; the strong University of Georgia team 9½-8½; and losing only to a strong and powerful Emory University team 4½-13½.

Returning to Davidson the team defeated Wake Forest 11½-6½, and then left for the Southern Intercollegiate Tournament at Athens, Georgia, encountering and defeating the University of South Carolina 12-6; and the University of Alabama 10½-7½ before the tournament. In the tournament the team placed 5th in a field of 17 teams.

Leaving on the state trip, Davidson met and was upset by the University of North Carolina 6-12. In the State Tournament the Wildcats placed second, being beat only by the invincible Duke squad and placing well ahead of the University of North Carolina. Next Wake Forest was encountered on their home grounds and defeated 14-4.

The team defeated Citadel at Davidson to close the scheduled season with a record of 10 wins and 2 losses in dual meets.

The season was finally closed with the Southern Conference Tournament held at Pinehurst but which had not been played at the time the annual went to press.

Runner-up in State Tournament

Fifth in Southern Intercollegiate Tournament

FRESHMAN FOOTBALL

The Davidson Wildkittens had a successful season in spite of the fact that they lost three games and won only two. Those that they won were the first and the last. The team was hampered by being small and light but showed speed and brain work in all the games.

The Freshmen started out with a 25-0 victory over Presbyterian Junior College in a fast game. Rackley, Watkins, McClintock, and Richmond were outstanding in this game. Jim Currie, substitute quarterback, furnished excitement for the fans by intercepting a pass and running 35 yards for a touchdown. Both the backfield and the line showed up well.

After losing games to Wofford, Duke and South Carolina, the 'Kittens wound up the season by defeating a fighting Blue Ridge team by a score of 12-0. This game was hard fought but Blue Ridge never threatened to score. The Hilltoppers used laterals to gain a large amount of their yardage, but the many forward passes that they attempted were usually broken up by the 'Kitten backfield. Blue Ridge took to the air after being stopped by the strong Davidson line. For Davidson, Hunter and Rackley were outstanding in the backfield. Rackley carried the ball farther than any other player, but it was Hunter that made both of the touchdowns for the Wildkittens. Rice and Richmond showed up best in the line. Both played line defensive half. Edney and Miller furnished stiff competition in the Blue Ridge backfield. Faggard, who played center for the Hilltoppers, was their best linesman.

The game with Presbyterian Junior College was played here, but the 'Kittens went to Spartanburg, S. C., for the Wofford contest. They played Duke Frosh here, before going to Columbia to meet South Carolina. The final game was on Richardson Field.

Front Row: PENNINGTON, McLEAN, D., CAGLE, MACK, RICHMOND, WATKINS, RICE, McLEAN, A.

Back Row: Morton (Manager), McLean, Mashburn, Powell, Kellogg, Sparrow, Watkins, Shepherd (Coach).

FRESHMAN BASKETBALL

The Freshman basketball team had an unsuccessful season as far as the final scores indicate but the 'Kittens played many good games and only lost to strong opposition. The Freshmen were handicapped by the height of the players on the other teams.

The 'Kittens lost their first game to the Carolina Freshmen, though they were ahead at the half. Next Charlotte High won a thriller by only three points. The Freshmen were leading at the half against State but lost the game 34 to 27. Duke and Carolina handed out decisive defeats, but the Wildkittens got revenge for their defeat by Charlotte High. State and Wake Forest next met and defeated the 'Kittens. In the last game with Wake Forest the Freshman team showed its best form.

The season for the Freshmen was short and difficult, but several men showed their ability and should do well next year. Tony Casali, Tommy Glenn, Benny Harrison, Bob Phipps, Rea Tenney, and Jim Thomas saw the most service on the team. Harrison and Thomas were elected co-captains for the team at the end of the season.

FRESHMAN BASEBALL

With the Freshman baseball season over half through, the 'Kittens have shown up well in winning four of the games and dropping only two of them. There seems to be some good material in the freshman team, which will help the varsity next year.

The Wildkitten team has shown up well in all of the games. The two defeats were suffered at the hands of stronger teams and no fault of the 'Kitten players. They won two of the games by the slim margin of one run, but played hard and won fairly.

FRESHMAN TENNIS

The Freshman tennis team showed up fairly well in its matches and several of its players should be good material for the varsity next year.

The team is composed of Tenney, Hunter, Ezell, Beall, Wood, and Schabel, all of whom finished well up toward the finals of the Spring tennis tournament for the Freshmen.

The opening match was lost to the R. J. Reynolds High School by the close count of 5-4 on our home courts. In this match, however, the team revealed that a number of its members would be strong in later matches which included Winston-Salem, Charlotte, Wingate, and Presbyterian Junior College.

FRESHMAN TRACK

The Wildkitten track team has had a stiff schedule this year. First, it met Charlotte High School and was soundly defeated by a score of 191.3 to 97.3. Its next meet was with the V. P. I. freshmen here in a dual meet, when the Wildkittens again were defeated by a score of 72 to 45. In the tiff with the Furman Freshmen here, several individuals showed real power, but the team as a whole could not get by the Violet opponents, losing 80 to 37. The P. I. C. meet is yet to be run.

Bob Kellogg, in the mile, has shown plenty of power and endurance and it looks like he will be winning material in another year. Bill Black takes the high-jump easily, and Tom McAlpin runs an excellent quarter-mile. In the pole-vault Joe Gammon consistently placed in the upper three and has fine possibilities. Dave Sprunt and "Red" Miller have tossed the weights throughout the season.

McGeachy (Co-manager), Tenney,
Ezell, Beall, Schabell, Hunter,
Feuchtenberger (Co-manager).

 KAPPA SIGMA, Track Champs*

Under the supervision of A. Heath Whittle and the able management of A. M. Faison, classes and fraternities took a new interest in intra-mural sports. Golf, horse-shoe pitching, and track were added last spring to the list of intra-mural sports which already included football, volley ball, basketball and baseball.

The Phi Gams took the inter-fraternity championships in the first three sports, football, volley ball and basketball. In the inter-class games the Sophomores won first places in football, basketball, and baseball, dropping volley ball to the Seniors. The Kappa Sigs had a close meet with the Kappa Alpha's but finally won the track championship.

The Intra-mural Sports are gaining wider popularity among the students and nearly every Davidson man leaves as well equipped physically as mentally. The Gymnastic team put on exhibitions and showed wonderful skill and training on the bars and mats. J. V. Templeton won the Gymnastic competition and Sam Ryburn won the Physical Improvement Trophy.

The Pan-Hellenic Council this year may be justly proud of its fine record. This group, made up of representatives from each of the nine social fraternities on the campus, has worked hard and has given Davidson students dances which will long be remembered. Besides this, the Council has been active in making reforms in rushing practices and in improving the relations between the fraternities.

The rushing season last fall began on Monday, September 14, and ended with pledging ceremonies on Tuesday night, September 22. The Council, working together with the Faculty Committee, on Fraternities, drew up a set of rules to govern rushing activities and a code of ethics to be observed by the chapters. This year, for the first time, expenses were limited to \$15 a day and no parties were held off the campus.

QUIPS AND GRANKS

The Pan-Hellenic Council made its social debut with a Football Dance in the Hotel Charlotte Ballroom on Saturday night, October 10, following the Davidson-V. M. I. game. The music for the occasion was by Joe Burke and his Duke Ambassadors.

The Homecoming Dances were held on the week-end of the Davidson-Carolina football game, November 8-9. Jimmie Poyner and the N. C. State Collegians played for the two dances held at the Charlotte Armory-Auditorium. Two interesting innovations were introduced to Davidson students: special decorations on Fraternity Court for the football game and house-parties after the Friday night dance.

New to Davidson was the Thanksgiving Dance sponsored by the Council and the "D" Club. Jack Wardlaw and his orchestra came up from Columbia, South Carolina, to play for the dance held in the Hotel Charlotte Ballroom on Thursday night, November 26.

However, the peak of the college's social season was reached when the Pan-Hellenic Council presented the music of "Genial Jan" Garber and his orchestra at the Mid-Winters set in the Charlotte Armory-Auditorium on the week-end of February 12-13. Once more the subscription plan was used whereby students might buy tickets with five monthly payments. And again the Council pioneered, this time by giving the students the added attraction of a tea dance on Friday afternoon.

The great hope of both Council and students is the possibility, however remote, of "Finals"—a set of dances at Commencement.

HONORARY FRATERNITY COUNCIL

The Honorary Fraternity Council is composed of one representative from each honorary organization, including the two literary societies. It has control over all the honorary fraternities on the Hill. By its constitution it has the power to expell any honorary organization if it does not conform to the rules and regulations set down by it. Any new honorary fraternities must be passed and accepted by the council before establishing itself. A schedule of meeting dates was arranged whereby each fraternity was assigned a specific time for such assemblies.

Each honorary fraternity must elect its representative before May 10th, and the by-laws of the council must be read to each honorary group before October 31st of each year. Thus, the council is a real power on the campus.

PHI BETA KAPPA

The Phi Beta Kappa society was organized at the college of William and Mary, Williamsburg, Virginia, in 1776. It was preceded by a society called the "Flet Hat" which was organized at William and Mary in 1750. Since its beginning it has grown steadily in members and chapters. There are now one hundred and fourteen chapters, of which three are in North Carolina.

The chapter at Davidson was established in 1922, replacing the Mimic Society, whose ideals and principles were practically the same as those of Phi Beta Kappa. The charter members of the society here at Davidson were Dr. W. J. Martin, Professor W. L. Porter, Professor W. W. Wood, and Dr. E. F. Shewmake.

Since its beginning here Phi Beta Kappa has maintained a commendable activity. The standards and ideals of the society has influenced the campus of Davidson College and it has always been an ideal and a goal for students to attain.

OMICRON DELTA KAPPA

This honorary fraternity, honoring student leadership, was founded at Washington and Lee University in 1914, and the Delta Circle was established at Davidson College in 1917. The organization conducts two tap days in the college chapel each year, admitting to membership only those who show distinctive qualities of leadership, and who hold offices of service and responsibility on the campus.

All that its name implies, Omicron Delta Kappa takes the initiative on the Davidson campus in the promotion of ideas and programs which will be for the advancement of the college. Behind every constructive and successful student movement, its influence, collectively and individually, may be felt. Through it, faculty-student cooperation is achieved.

At the fraternity's convolve in Atlanta this spring Mr. Frank L. Jackson, Treasurer of Davidson College and long active in the service of Omicron Delta Kappa, was elected to the national presidency of the organization. The election of one of its number to this high position reflects honor on Delta Circle of Omicron Delta Kappa as well as on the college as a whole.

SCABBARD AND BLADE

(Military)

Scabbard and Blade, national honorary military fraternity, was founded at the University of Wisconsin in 1901 by the Senior Officers at the University cadet corps. The Davidson chapter, known as "B" Company was founded in 1923.

This year the Davidson chapter has been unusually active. It set for itself three major objectives and was very successful in their completion. These were: first, to put up the American flag every day; second, to present a cup to the best drilled company in the battalion, another to the best drilled platoon, and another to the best drilled soldier; and third, to give a military ball in the Charlotte Armory as a climax of the season.

Character, leadership, efficiency, and knowledge of military tactics are necessary requirements of membership. This spring the chapter initiated fifteen Junior Officers who are to carry on the work next year. It also initiated five new honorary members at the same time. Social activity is becoming more and more important to the chapter.

The officers of "B" Company are: J. E. Branch, President; J. D. Johnston, Vice-President; J. O. Branton, Treasurer; and R. H. Patterson, Secretary.

One of the most important purposes of the chapter has been to make the relationship in the military department closer. Good fellowship has been promoted among its members.

MISTER, if you want an undershirt that fits like a potato-sack, you don't want HANES. But if you like it snugging your ribs—HANES is your dish. No matter how much you wash these shirts, they look and feel clean-cut!

Here's another thing about HANES: You tuck the tail into your shorts in the morning, and find it

still there at night—not wadded around your waist. HANES is too long for that.

When you go to buy shorts, be sure to ask for HANES. Legs, crotch, and seat are cut to keep you free from friction—nothing binds or pulls. Colors fast. See your dealer today. P. H. Hanes Knitting Co., Winston-Salem, N. C.
